GOLF TOURNAMENT ASPIRATIONS

To raise funds for Fonkoze & Schlegel Villages 2018 Mission trip to Haiti To bring awareness of the important work of Fonkoze To provide our Villages and Community Partners an opportunity to give back.

WHY YOUR SPONSORSHIP MATTERS

Fonkoze is a family of organizations that work together to provide the financial and non-financial services to empower Haitians—primarily women—to lift their families out of poverty. Over the last 6 years we have raised over $250,000 from the support of residents, team members, families and community partners. All of the funds raised went directly to support the women and their families of Fonkoze. Through the work of MEDA (Mennonite Economic Developments Associate) in partnership with Fonkoze (www.fonkoze.org) many women have been provided with the educational, financial and training means to lift themselves and their children out of poverty. They have a small home and dry roof over their heads but more importantly - they find themselves again and the hope they so deserve.

I am reaching out for your support to help raise funds towards the work of Fonkoze and give a generous HAND Up for the Haitian Women.

Thank you for your consideration in supporting and your continued partnership with Schlegel Villages.
