Mother

A mother loves right from the start,
No matter if her children are near or far apart.

A mother gives never-ending love.
She gives us comfort and peace like a
beautiful dove.

For us she will always do her best,
Even when we put her patience to the test.
She wipes our tears,
Chases away our fears,

Encourages us to follow a dream,
No matter how far fetched it may seem.
Her gifts can never compare to any other.
I am so honored to call her my mother.

Looking back on another year,
I was so lucky to have a mother so dear.
So Mom, on your special day, relax and enjoy
And always know that I couldn't have asked
for any other
More incredible person to call my mother.
