Elder Wisdom 10th Anniversary

We are honouring 10 years of Elder Wisdom, a program dedicated to challenging the stigma and ageism that older adults often face in our society.

EML will participate in the Green Bench Project at Erindale Secondary School. Offering students and our older adults and seniors an opportunity to get to know each other and share their wisdom.

We will also be working on our pursuit of passions event. Share a favourite recipe and enter it for a chance to have it published in the Schlegel Villages cookbook. Stay tuned for more information and event details.

Throughout the month of June we will also have merchandise available for purchase.

Schlegel Pride Day

Join us Wednesday June 11th, as we celebrate Pride Day across Schlegel Villages as part of Pride Month with the goal to 'Honour Diversity in Village Life'.

Let's honour our residents, team members, family, volunteers, and community partners across the organization.

Our Village Parade will start at 11am on 1st floor and head outside.
