Pumpkin Picking & Lunch at Springridge Farm

Sign up with the REC team. Family members welcome

Thankful

The fall season and the October month brings many reasons to be thankful. Time with family spent around the table for thanksgiving, the many cultural and religious holidays being celebrated reminds us how lucky we are to live in a country and community where we can celebrate and learn together, bringing us closer.

Thank you to all the residents, team, volunteers, family members, students, and all our community partners for the care and love you bring to the village. You make every day brighter.
