Co-located Retirement Home Visitor Policy Changes November 23rd, 2020

As per the RHRA, retirement homes co-located with long-term care homes must adopt the long-term care policy if more restrictive. Villages located in regions moving into the *Orange-Restrict, Red-Control and Grey-Lockdown* levels will have additional restrictions in place for visits and absences. As always, **Villages declared in outbreak or residents in self-isolation will have the highest restrictions.**
